E-mail: _____

PAPER PRESENTATION

Title:
.....
.....
.....

Please tick the checkbox corresponding to the topic of your paper.

- | | |
|---|--|
| <input type="checkbox"/> Welded structure stability | <input type="checkbox"/> Fracture mechanics of metallic and non-metallic materials |
| <input type="checkbox"/> Advanced methods and new trends in NDT | <input type="checkbox"/> Materials damage under time-dependent actions, fatigue, creep, corrosion, irradiation |
| <input type="checkbox"/> Prospects in materials science, nanomechanics, nanomaterials, nanotechnologies, computer simulation paradigm | <input type="checkbox"/> Remaining life assessment of industrial equipments |
| <input type="checkbox"/> Advanced materials and joints, mechanical and structural characterization | <input type="checkbox"/> Quality management of materials and welded joints |
| <input type="checkbox"/> Quantitative non-destructive testing | <input type="checkbox"/> Damage of metal and non-metal structure |

Annexe: Abstract of the paper (max. 500 words).
